

# EU-Mauritius partnership

May 2025

## Education & Youth

- Supporting various initiatives to enhance education, training, and youth opportunities to improve employability and education
- Providing teacher training support, aligning VET programmes, promoting youth participation and promoting intercultural dialogue

## Health

- Enhancing the regional capacity to address epidemics and pandemics, and strengthening laboratory services and response networks.
- Supporting efforts to fight harmful practices and improve access to sexual and reproductive health services

## Sustainable Fisheries & Maritime Security

- Promoting responsible fishing practices
- Developing and enforcing international and regional agreements on blue economy policies, regional fisheries management, and fighting illegal fishing
- Enhancing the capacity of maritime authorities and port agencies
- Supporting criminal justice actors to improve maritime crimes management and strengthening inter-agency cooperation

## Circular Economy & Biodiversity

- Strengthening foundations to implement Mauritius' Circular Economy Roadmap and Action Plan
- Supporting the private sector for climate change projects
- Promoting sustainable business practices and leveraging climate finance to support green initiatives.
- Aiding biodiversity conservation and climate adaptation in the Western Indian Ocean
- Enhancing disaster risk reduction strategies, climate services, and regional coordination to reduce climate-related losses
- Supporting food security, sustainable agriculture, and agroecology practices

## Jobs & Growth\*

- Extending **Rodrigues Airport** and increasing its safety
- Supporting trade negotiations by streamlining business and investment regulations, and improving operational procedures for licensing and business operations
- Enhancing entrepreneurship, competitiveness, and trade readiness of SMEs while facilitating the transition to a green economy, with a focus on women and youth

Rodrigues airport

## Governance\*

- Building the capacity of countries in sub-Saharan Africa to address money laundering and terrorism financing
- Empowering civil society
- Strengthening regional organisations, with a focus on anti-money laundering and counter-financing of terrorism

\* This domain is outside Global Gateway but complementing engagement under it.

These outputs provide an overview of the main domains of actions of the EU in the partner country, pursuing a Team Europe approach.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
